# THE CHARLES A. RODEFELD AWARD

## For Leadership in Philanthropy and the Community

### ABOUT THE AWARD

The Charles A. Rodefeld Award for Leadership in Philanthropy and the Community honors a man who was not widely known as a philanthropist or worker for non-profit organizations. He was, instead, a person who moved quietly but steadily to help meet community needs. The Rodefeld Award seeks to recognize Wayne County citizens and/or companies who have been there when agencies or organizations most needed them, who served faithfully and well, though without fanfare, and who have provided leadership and significant financial support over the years. To qualify for the Charles A. Rodefeld Award, an individual, corporation, or organization must have demonstrated exceptional leadership and innovative commitment to addressing a community concern or a dedication to improving the effectiveness of an existing charitable institution while maintaining an attitude of humility. Evidence of achievement must be demonstrated by gifts of volunteer leadership and significant personal/corporate resources.
