

Richmond Rose Garden Brick Tributes

The **Richmond Rose Garden** now offers the opportunity for outdoor tributes in the brick walks surrounding the beautiful roses. The back of a historic Star brick can be inscribed with your message. For \$100.00, three lines of text with 13 characters per line can be carved into the brick.

The Star bricks have a rich heritage in Richmond, Indiana. They have been used in the sidewalks of some of Richmond's historic neighborhoods for almost 100 years. The bricks are prized for their strength and durability. Now a piece of history can be transformed into an enduring memorial!

The Richmond Rose Garden is one of the select gardens in the country to be designated an All America Rose Display Garden by the All-America Rose Selection Board (AARS). People stroll through the gardens to enjoy the gentle scent of the roses and the serenity of the gazebo. It is the tour destination of many garden clubs and rose lovers throughout the area, as well as the site of numerous wedding ceremonies. Your special brick in the garden walkway will be seen and appreciated by hundreds of people for years to come.
