

## Scholarship Acceptance Instructions - 2026 Awards

Scholarship awards from the Wayne County Foundation are sent directly to the college or university you will attend. To ensure timely processing, your **college student ID number** is required. Scholarship awards are split between the fall and spring semesters.

The Foundation will begin processing scholarship award payments during the **first week of July**.

To avoid delays that may affect your tuition billing, you must accept your scholarship(s) by:  
**June 30, 2026**

Failure to accept your award by this date may delay disbursement, which may cause penalties and fees.
